Introduction

In this workbook, multimedia is used to make the Bible more visually enriched and understandable in user friendly English for young and old. This series is suitable for families at home as well as churches and schools.

It is of the utmost importance that children should know and learn about the Word of God. The texts from Scripture that are discussed, guide and determine the contents of the different lessons which are presented. The King James Bible (<https://www.kingjamesbibleonline.org/>), see QR code, was used in the workbook and therefore the King James Bible should be used to complete the assignments in the workbooks.
