Introduction

In this workbook, multimedia is used to make the Bible more visually enriched and understandable in user friendly English for young and old. This series is suitable for families at home as well as churches and schools.

It is of the utmost importance that children should know and learn about the Word of God. The texts from Scripture that are discussed, guide and determine the contents of the different lessons which are presented. The King James Bible (<https://www.kingjamesbibleonline.org/>), see QR code, was used in the workbook and therefore the King James Bible should be used to complete the assignments in the workbooks.

The complete package falls into three parts

Part 1

- Creation up to Noah
- Abram
- The Gospels: The announcement of the birth of Christ up to Peter's confession.

Part 2

- Isaac up to Joseph
- Moses up to Joshua
- The Book of Judges up to Saul
- The Gospels: Jesus leaves Galilee and the events occurring up to His arrest.

Part 3

- David and Saul
- Kings and prophets
- The Gospels: Jesus is sentenced by Pilate and the events up to His ascension
- Acts and the conclusion of God's revelation

The Instituut vir Christelike Onderwys (ICO) aspire to publish Biblically based school books and study guides. This Biblical teaching program is published in collaboration with the Akademie Reformatoriese Opleiding en Studies (Aros). We realise the importance of Biblical knowledge with regards to the Scriptures and therefore commit ourselves to improve this knowledge in our children, students and parents.

We all contribute to the expansion of the Kingdom of God worldwide and through the Holy Spirit our children, students and parents are equipped with extended knowledge and the necessary values and skills to serve our Saviour. This is accomplished when allowing ourselves to be His witnesses and to let His light shine through us in this world.
