

## Visitation Questions

*Focus on personal, family and corporate worship*

### I. General:

- How are things going in your life/lives in general?
- Challenges you have faced in the past year/are facing now?
- With children: Go over catechism for their age group. Discuss their challenges as covenant children. Call them to follow Christ and profess Him.

### II. Specific:

- How have you grown in your Christian life in the past year?
- What are your practices regarding (regular/daily?) reading of the Word of God and prayer. Difficulties you face in this? How can we help?
- What are your practices regarding daily/regular family worship? Difficulties you face in this? How can we help? Urge them to make use of the prayer list.
- Your disciplines regarding the Lord's Day? Worship and Bible School attendance? How are you profiting from the public ministries of the church? With what areas can we help you?
- How are you making Sunday to be a true "Christian Sabbath"?

### III. Other:

- Questions/concerns/suggestions about the church and its ministry? If you could change one thing about the church, what would it be? Why?
- How can you benefit more from the church as a community?
- Suggestions for sermons, Bible School classes, or other public ministries that would be of help to you and to others?

**Close with Scripture and prayer** (Always being careful to bring specific matters mentioned in the meeting before the Lord.)
